

THE 5 LOVE LANGUAGES® PROFILE RESULTS

Your Primary Love Language is Words of Affirmation

Actions don't always speak louder than words. If this is your love language, unsolicited compliments mean the world to you. Hearing the words, "I love you," are important – hearing the reasons behind that love sends your spirits skyward. Insults can leave you shattered and are not easily forgotten. You thrive on hearing kind and encouraging words that build you up.

Learn more how to give and receive love

It's never too late to start loving better. Whether you are a teenager or you want to learn how to love one better, Gary Chapman has written resources to help you connect and grow personally.
